

## Summer Speech and Language Therapy

### Glenwood Country Day School

**Kuta Speech and Language Services** is excited to announce that we will be offering speech and language therapy at **Glenwood Country Day School** this summer! Services will be offered to children who are currently receiving therapy this school year and would like to continue over the summer. Therapy is intended to enhance and enrich speech, language, and social communication skills through fun and engaging activities. By continuing speech therapy over the summer, children can maximize their potential to retain skills they learned throughout the school year and build new skills.

If your child does not currently receive speech and language services, but you have concerns regarding their communication skills, **please contact Lisa Kuta, M.S., CCC-SLP for more information at 410-461-1540 or [lisa@kutaspeech.com](mailto:lisa@kutaspeech.com).**

#### *About Summer Speech and Language Therapy*
